20	147.36	1763.90

6 - 15mm thickness - sheet size 3020 x 2020mm  
20mm thickness - sheet size 3000 x 2000mm

Thicknesses 25 - 100mm are available, price and availability on application

Acrylic cast - clear has a highly smooth surface with protection to both sides. Cast acrylic offers improved light transmission over extruded (3mm light transmission = 93%). It is significantly lighter and has improved impact resistance compared to glass of equivalent thickness. Cast sheet is available up to 100mm thickness, availability normally within 2-3 days.
