

Warranty

PPC – black

We give a warranty for the following properties of sheets made of PPC black, in outdoor use for a period of 5 years as of delivery to the customer by Oadby Plastics or a legally affiliated company.

- PPC black is UV-stabilised for outdoor use, with the environmentally-friendly systems devoid of cadmium lead.
- PPC black sheets are manufactured in accordance with the requirements of ISO 15013. The quality is checked regularly.
- The basis of this production monitoring is certification in accordance with DIN ISO 9001:2008 and ISO 14001:2009. Introduction and implementation of this quality assurance system was certified to SIMONA AG with certificate no. 12100/1043169 issued by TÜV SÜD (Technical Inspectorate Bavaria-Saxony) on 22 April 2010.

This warranty is based on the following prerequisites:

- It applies to unformed sheets without any change in sheet thickness.
- Use in Central Europe north of the 47th degree of latitude up to an altitude of 1,500m above sea level.
- The sheets must not be exposed to stress due to chemical or mechanical influences.
- Compliance with our product information's. (For example, the thermal length has to be considered when mounting the sheets.)
- The cleaning of such sheets should be done with diluted aqueous household cleaning agents; not with solvent-based cleaning agents or abrasives!

In case of non-conformance with the described properties, Oadby Plastics will, by its choice, provide free replacement of the material or allow credit for the value of the delivered sheets. Graduation: until 3 years: 100%; 4 years: 60%; 5 years: 30%.

All further claims are expressly excluded from this warranty. The liability of Oadby Plastics out of this warranty is in any case limited to the value of the delivered sheets at the time of sale.
